

REACH Compliance Declaration

The European REACH Regulation 1907/2006 on Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH), Annex XVII entered into force in June 2009, and affects all companies producing, importing, using, or placing products on the European market. The aim of the REACH regulation is to ensure a high level of protection of human health and the environment from chemical substances.

The product is considered article as defines in REACH Article 3 (3). The product/article under normal and reasonable conditions of use do not have intended release of substances. Therefore, the requirement is REACH article 7 (1) (b) for registration of substances contained in the product/article does not apply.

In addition, we confirm that the product delivered by Nlightning Technology Ltd. do not contain Substances of Very High Concern(SVHC) with more than 0.1% w/w as defined by REACH Article 57, Annex XIV, Directive 67/548/EEC. Hence the requirement in REACH Article 7 (2) to notify ECHA if a product/Article contains more than 0.1% w/w of an SVHC and tonnage exceeding 1 tone per importer per year is not applicable.

We hereby declare, we write this declaration by all we know, and the information is real and integrity. We promise that all the Surge Protective Device (SPD) sell to customer meet the standard of REACH on SVHC and latest chemical regulation.

The SVHC are still according to the publication on EU's website, please refer to the SVHC official webpage. <https://echa.europa.eu/candidate-list-table>
