

Declaration of REACH Conformance

Nlightning Technology hereby certifies that, to the best of its knowledge and based on information obtained from its suppliers, all products supplied by Nlightning Technology comply with the applicable requirements of Regulation (EC) No. 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), as amended.

Nlightning Technology further certifies that its products do not contain any Substances of Very High Concern (SVHC) included in the Candidate List published by the European Chemicals Agency (ECHA) in concentrations above 0.1% weight by weight (w/w) per article, unless otherwise specifically declared.

Nlightning Technology also confirms that its products comply with the applicable restrictions under Annex XVII of REACH, as amended, to the extent relevant to the product materials, intended use, and placing on the EU market.

This declaration is issued based on supplier declarations, available material information, technical documentation, and/or test reports where applicable. The complete SVHC substance list is not reproduced in this declaration and should be referred to directly through the official ECHA Candidate List.

Current consolidated version of REACH Regulation: 23 October 2025

Latest update of SVHC Candidate List: 4 February 2026

Number of SVHC Candidate List entries: 253
